Conditions of participation
Ypsomed Innovation Award

Project name: _____

1. I confirm that all the information contained in the application documentation for the
   Ypsomed Innovation Award 2022 are truthful to the best of my knowledge.
2. As a representative of the candidacy, I agree to take the time required for the evaluation by the expert
   jury, if necessary with interviews in Burgdorf or Berne. Tentatively scheduled dates are 28/11/2022 and
   13/12/2022.
3. As a award winner, I commit myself to take part in the award ceremony in January in Berne and
   to be available in advance for the related PR/media work.
4. By participating in the Ypsomed Innovation Award, I authorise the use of the name and logo of
   the submitted project as well as photograhs, videos and audio files without financial compensation
   for the purposes of the Ypsomed Innovation Fund.
5. I will disclose any relationships (content-related, financial or personal) with members of the jury in the
   project submission.

Use of the competition results
The award winners are authorised to use the award ceremony for onw PR activities. The name
"Ypsomed Innovation Award", the ranking and the year of the award ceremony must be mentioned.
Moreover, the award winners may use the logo of the Ypsomed Innovation Fund in this context.
This is available at **www.innovationsfonds.ch**.
The Ypsomed Innovation Fund is authorised to use the name of the award winners, the department or
institute of the university, the title of the projects and the summaries submitted on its website as well
as in further communication media.

The finalists are informed in writing of the jury's decisions. The recourse to legal action against the jury's
decisions is excluded. All application documents will be treated as strictly confidential by the Ypsomed Inno-
vation Fund.

I agree with these conditions of participation.
